

Our Trainee Programs at DPDHL

BE AN ESSENTIAL PART OF EVERYDAY LIFE

GROW (Graduate Opportunities Worldwide) & LEAD (Leadership Operations) are 18-month long graduate programs offered by Deutsche Post DHL Group in Germany. The objectives of the programs are to build up a pool of motivated and qualified young talents so that they can continue to work for the Group after successfully completing the program

The focus of the **GROW** program is to prepare promising talents for a future **expert career** within the Group. Within GROW there is an international track, where the trainees stay three months abroad and a national track, where the trainees stay within Germany. We look forward to your application!

For **GROW** Program:

The **LEAD** program aims at motivated young professionals with leadership ambitions in operations and is only offered nationally.

For **LEAD** Program:
